PROFESSIONAL EXPERIENCE

Policy Data Analyst, Coalition for Community Solar Access, Seattle, WA

2024

Analyzed interconnection queue data to assess barriers to community solar deployment.

Mining Program Manager, Solidaridad Network, South America

2020–2022

Managed responsible mining and alternative livelihoods programs in Colombia, Peru, and Suriname.

Strategic Coordinator, CI ANEXPO SAS, Colombia

2019–2020

Led an EPRM-funded project on responsible markets and territorial governance in artisanal mining.

Head of Governance / Policy Analyst, Alliance for Responsible Mining, South America

2014–2018

Led policy and governance initiatives on responsible mining standards, multi-stakeholder dialogue, and artisanal mining across Latin America.

SERVICE AND OTHER ENGAGEMENTS

2022. Judge. Artisanal Mining Grand Challenge. The Amazon - Hosted by Conservation X Labs.

Evaluated innovative solutions for artisanal and small-scale mining, scoring proposals to improve environmental performance, water and biodiversity outcomes, and social equity in ASM, particularly in the Amazon region.

2016-2018. Civil society representation before the Colombian National Committee of the Extractives Industries Transparency Initiative (EITI).

Oversaw accountability of participant companies; promoted inclusion of sub-national data and non-fiscal costs and payments in country reports.

VOLUNTEERING

2024. Development of accessible infographic materials on renewable energy subsidies for rural non-English speakers in WA state.

In collaboration with Spark Northwest, Front and Centered, and the Latino Educational Training Institute.

2023. Just Hack: A Just Transition Challenge — Mentor.
